DEPARTMENT OF JUSTICE

Notice Of Extension Of Public Comment Period For Proposed Consent Decree Under The Clean Air Act

On May 19, 2015, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of Michigan in the lawsuit entitled *United States and Michigan Department of Environmental Quality v. AK Steel Corporation*, Civil Action No. 15-11804.

The United States filed this lawsuit under the Clean Air Act (CAA), naming AK Steel Corporation as the defendant. The complaint seeks injunctive relief and civil penalties for violations of the environmental regulations that govern iron and steel mills and the emission of particulate matter from certain sources at defendant's iron and steel mill in Dearborn, Wayne County, Michigan. The Michigan Department of Environmental Quality (MDEQ) joined the complaint as a co-plaintiff asserting the same claims under equivalent state laws and regulations. Under the proposed consent decree, AK Steel agrees to implement procedures to improve future compliance with the CAA and State regulations, and pay a total of \$1,353,126 in civil penalties, to be divided equally between the United States and MDEQ. Under the proposed consent decree, AK Steel also agrees to fund the installation of air filtration systems at nearby public schools. In return, the United States and MDEQ agree not to sue the defendant under section 113 of the CAA related to its past violations.

In a Federal Register Notice published on May 26, 2015, the Department of Justice announced its intention to receive comments relating to the proposed Consent Decree for a
